

# The Monster - Huge Side Rails

- **The Monster features a double beam support in every size.**

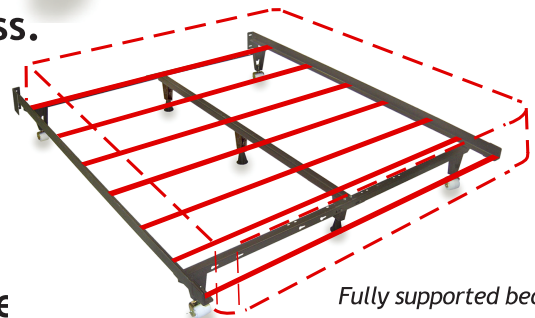

The Monster bed frame features oversized **2 inch** hardened steel side rails, 71 inches long, and a 59 inch twin beam steel center support. All sections are double riveted for unparalleled strength.

**2" tall side rails!**

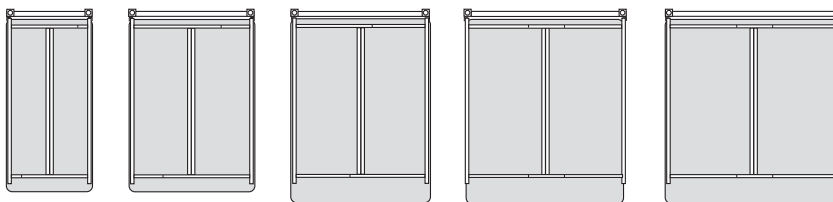

- **Complete support for your mattress.**

With seven points of contact and extended length side rails, the Monster bed frame supports the entire mattress set, giving excellent support.

- **One frame, once in a lifetime purchase**

The Monster 5 in 1 bed frame is the frame that fits for life, covering the complete spectrum of bedding sizes: Twin, Full, Queen, Cal King and King. All sizes include a twin beam vertical support with 3 glides, creating superior rigid upright bed support.

Twin size bed    Full size bed    Queen size bed    Cal King size bed    King size bed
